

Skin Care for life inside and out™

bT-Infusion® brightening masque

The bT-Infusion® brightening masque contains marine algae and licorice extracts for lightening and brightening the skin. It also contains hyaluronic acid for a light hydration, and nicotinamide for sebum control.

Skin Type:

All skin types.

How to use:

Professional Use:

Prepare skin with CLEANSE, EXFOLIATE, and TONE. Remove protective plastic from MASQUE and apply masque. Follow the bT-Ceuticals® regimen for skin type. May be used in all professional facials.

Home Use:

Use CLEANSE, EXFOLIATE and TONE. Remove masque from packaging and apply to face for 10-20 minutes. Remove, and follow with bT-Ceuticals® regimen for skin type.
