

Skin Care for life inside and out™

Platinum Peptide Cream™

Platinum Peptide Cream™ combines cosmetic elegance and peptide ingredients that address glycation, hydration, rejuvenation, and repair. Excellent for age management.

Skin Type:

Normal/ Dry, Dehydrated, Photodamaged, Sensitive

How to Use:

Professional Use:

Apply Platinum Peptide Cream™ in professional services in place of CREAM for extremely dry and dehydrated skin for hydration and moisturization.

Home Use:

Apply to face, neck, and décolleté for cell renewal, hydration, anti-glycation, and cell protection. Follow with SHADE SPF 30 for day; and as final step at night.

bT-Ceuticals® Home Care Regimen

Step	Normal Skin	Dry/Dehydrated Skin

Ingredients:

aqua, caprylic/capric triglyceride, C12-15 alkyl benzoate, sesame (sesamumindicum) oil, glycerin, cetyl esters, PEG-100, stearate, glyceryl stearate, chlorella vulgaris extract, pentylene glycol, cetearylmethicone, butylene glycol, panthenol, decarboxycarnosineHCl, acetyl dipeptide-1 cetyl ester, sea whip (pseudopterogorgiaelizabethae) extract, sodium hyaluronate, dimethicone, linoleic acid, soybean (glycine soja) sterols, soy phospholipids, ascorbylpalmitate, tetrahexyldecylascorbate, tocopherol, sunflower (helianthus annuus) seed oil, rosemary (rosmarinusofficinalis) leaf extract, stearic acid, shea butter (butyrospermumparkii), magnesium aluminum silicate, sorbitanlaurate, hydroxyethylcellulose, dipotassiumglycyrrhizate, acrylamide/sodium acryloyldimethyltaurate copolymer, isohexadecane, polysorbate 80, phenoxyethanol, green tea (camellia oleifera) extract, montmorillonite, xanthan gum, ethylhexylglycerin, disodium EDTA

Quick Selling Tips:

- Chlorella vulgaris extract helps reduce glycation (brittleness of collagen and elastin fibers)
- Contains Sea Whip to reduce inflammation, redness, and contributes toward cellular repair. Excellent for rosacea and sensitive skin
- Contains acetyl dipeptide-1, which is firming and reduces a loss of elasticity
- Lipid replacement: Linoleic acid-Barrier function improvement and hydration
- Antioxidants: Green Tea, Vitamin E, anti-inflammatory, free radical fighter

Ingredient Efficacy Studies: Idealift, Dipotassium Glycyrrhizinate, Alistin, Tetrahexyldecyl Ascorbate
